VIEW OF WEEQUAHIC LAKE.

The recent enormous advance in values in The Bronx caused by the building of the subway in New York is an indication of what will take place in this section upon the completion of the North River Tunnels.

When you consider it takes nearly an hour to go to The Bronx from downtown in New York, as against 18 minutes to this property, the great difference in time consumed each day will be the greatest factor imaginable in inducing busy New Yorkers to make their homes here.

Happy Childhood.

Was your childhood spent in the open, among trees, flowers, birds and fresh air, or in the city among brick walls, smoke, dust and hurdy-gurdies?

If among the flowers, you will know how your children will appreciate LEONIA; if among brick walls in the city, do not inflict the same punishment upon your children. TAKE THEM TO LEONIA, 15 MINUTES FROM HARLEM, AND 45 MINUTES FROM CITY HALL, YET IDEALLY SUBURBAN, WITH ALL THE CON-VENIENCES.
